Preamble: It is mandatory for every Medical College in India to have a Pharmacovigilance Committee, as per regulations of National Medical Commission. Therefore, the Pharmacovigilance Committee of this Institute has been constituted.

Goal: The broad goal of the committee will be to generate awareness about the need of identifying and reporting of Adverse Drug Reactions (ADRS), amongst all sections of healthcare providers (Doctors, Nurses, Pharmacist, Post-graduates and Undergraduate students, Service providers, etc.) of this institute to identify the ADRs occurring in patients coming to the institute for treatment and report the same to the appropriate authorities.

DEAN

Vyas Medical College and Hospital
Kudi Haud, Pali Road,
Jodhpur (Raj.)

Objectives:

1. To generate awareness about ADRs amongst health care providers and students of the institute, by different activities.
2. To identify ADRs occurring in the patients coming to the institute for treatment and to report the same to the appropriate authorities.
3. To carryout causality assessment of ADRs
4. To undertake scientific and research activities pertaining to ADRS'
5. To take up activities to strengthen the ongoing National Pharmacovigilance Programme.

Roles:

1. Chairman & Coordinator: The Chairman/Coordinator will chair and conduct all the meetings and will function as Administrative Head of the Committee
2. Nodal Officer: The Nodal Officer shall be responsible for arranging meetings and conducting activities with the help of the Member Secretary.
3. Member Secretary: The Member Secretary will play the pivotal role and shall undertake the following activities to help the task of the Nodal Officer
4. Members: The members will primarily work as subject experts and will also do the sensitization of faculty, resident doctors, and students in the area of ADRs. They will give suggestions for better and effective functioning of the program and shall work as facilitators.

Role of Pharmacovigilance PV Associate:

1. Pv Associate will be responsible for interacting with Doctors, Nurses, Pharmacists and other Health Care Professionals (HCP) for collecting and reporting ADRs.
2. He will also sensitize the HCPs and spread awareness regarding the importance of ADR reporting.
3. Development, maintenance and evaluation of the ADR records within the Organization.
4. The organizational dissemination and use of information obtained through this Program.
